As required by Section 12(2) of the Recreation, Parks and Wildlife Foundation Act, I submit herewith the Seventh Annual Report of the Foundation covering the period from April 1, 1983 to March 31, 1984.

SEVENTH ANNUAL REPORT OF
THE RECREATION, PARKS AND WILDLIFE FOUNDATION

The Foundation was established by Chapter 49 of the Statutes of Alberta, 1976, with the objective, as set out in Section 3 of the Act, of providing the opportunity to interested persons, corporations and organizations to donate or bequest real or personal property to be used for:

(a) the development or maintenance of recreational programs, facilities and services;

(b) the development or maintenance of parks;

(c) the management, conservation or preservation of fish and wildlife.

The Foundation is an agent of the Crown in the right of Alberta and thus gifts to the Foundation qualify for the maximum benefit under Paragraph 110 (1) (b) of the Income Tax Act (Canada).

The other main objective of the Foundation is to provide grants to any individual, organization or educational institution for creative, innovative and unique projects or activities which will complement, rather than duplicate existing programs and services in Recreation, Parks and Wildlife in the Province.

Membership consists of not more than 12 persons appointed by the Lieutenant Governor in Council. As at March 31, 1984 the following persons were members of the Foundation.

Sherrold Moore, Calgary (Chairman)
Dave Gould, Banff
Glen Semenchuk, Edmonton
Maury Van Vliet, Jr., Spruce Grove

Bob Stewart, Stettler
Hugh Gillard, Okotoks
Ralph Pinder, Redcliff
John E. Thorpe, Calgary
Gerry Howis, Manning
Ernest Lindholm, New Norway

The Foundation received a total of 320 grant applications valued at 13.2 million for the period of April 1, 1983 to March 31, 1984 (Appendix A).

The bank balance of the Foundation at the beginning of the year amounted to $862,241.00. During the year the Foundation received $1,074,500.00 as a recipient of a share of the net profits of the Western Canada Lottery Foundation (Alberta Division), $12,413.00 in private and corporate donations, and $1,281.00 in poster sales, and earned $136,530.00 in interest for a total revenue of $1,307,974.00 including a grant from the Province of Alberta Department of Recreation and Parks. Expenditures for the year totalled $1,515,384.00, including 182 grants awarded to projects within the province amounting to $1,151,384.00 (Appendix B) and $154,691.00 for film productions. The total of unexpended funds at the end of the year was $654,831.00.

Under Section 2 of the Recreation, Parks and Wildlife Foundation Act, the Auditor General is the auditor of the Foundation. The Auditor General examined the Balance Sheet of the Foundation as at March 31, 1984 and the Statement of Revenue, Expenditure and Unexpended Funds for the period ending on that date and has given a report to the members of the Foundation stating that in his opinion "these financial statements present fairly the financial position of the Foundation as at March 31, 1984, and the results of its operations for the period then ended in accordance with generally accepted accounting principles."

A copy of the Balance Sheet and of the Statement of Revenue, Expenditure and Unexpended Funds for the period from April 1, 1983 to March 31, 1984 appear as Statements A and B attached to this report.

ALBERTA LEGISLATURE

OFFICE OF THE AUDITOR GENERAL

AUDITOR'S REPORT

To the Members of The Recreation, Parks
and Wildlife Foundation

I have examined the balance sheet of The Recreation, Parks and Wildlife Foundation as at March 31, 1984 and the statement of revenue, expenditure and unexpended funds for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Foundation as at March 31, 1984 and the results of its operations for the year then ended in accordance with the disclosed basis of accounting, considered appropriate in the circumstances, as described in Note 2 to the financial statements applied on a basis consistent with that of the preceding year.
